Passport of Progress

New Jersey FBLA Middle School—2023-2024

Amplify with Service, Education, and Progress

This program is designed to **increase** integral parts of the organization: **local member and chapter engagement** in membership recruitment, retention, and state/national programs.

The various activities within the passport fall under three categories: **Service**, **Education**, and **Progress**. The following information details the awards system:

 All members attending SLC from participating chapters will receive ribbons, and chapters with the most points in their respective divisions will be recognized at the 2024 State Leadership Conference.

Chapters must provide photos AND descriptions when instructed in order to receive points. Failure to fulfill requirements will result in no points for that particular challenge. As you continue on your journey throughout the year, be sure to document your chapter's achievements. The many ways to gain points can help you take advantage of FBLA's mission and benefit your chapter.

If you have any questions, please contact the New Jersey FBLA State President, **Divy Shah**, at fblapres@njfbla.org.

Please refer to the following pages to learn how your chapter can embark on the journey to **Amplify.**

The due date for the activities is March 1, 2024!

Passport of Progress
